*Depending on services you select, these CenturyLink surcharges apply: Internet/Broadband Cost Recovery Fee; Prism Local Broadcast Surcharge; Prism Sports Network Surcharge; Non-Telecom Services Surcharge; and additional surcharges. These are neither taxes nor required by law, but set by CenturyLink and may change. Additional taxes and fees will apply and appear on your monthly bill. For information about taxes, fees and surcharges, visit www.centurylink.com/feesandtaxes; rates subject to change.

Service and offer are not available everywhere. CenturyLink Prism Basic is available to residential customers who qualify based on meeting income level eligibility requirements, and/or are receiving benefits from a qualifying federal assistance program, and requires remaining eligible for the entire offer period. A CenturyLink-provided set-top box ("STB") required to view TV. If customer elects to add a second or more STB, \$9.99/mo./STB fee (standard or wireless) will apply. CenturyLink provided modem required for Prism; lease (\$9.99/mo. fee) or a one-time purchase (\$99.99) option available (S&H applies). An early termination fee of up to \$20, multiplied by the number of months remaining in customer's then-current term commitment, if customer terminates Prism service before the end of the applicable term commitment (up to \$240 max.), will apply. Depending on your location, promotional discounts may not apply to first partial month of service. Rate excludes taxes, fees and surcharges which are based on standard, not promotional, rate. If customer cancels one of the required bundled services during promotion, all promotional rates are void. Credit approval and deposit may be required. Customer must remain in good standing and offer terminates if customer changes their account in any manner. Rates, packages and programming are subject to change without notice. Additional restrictions may apply. CenturyLink may change, cancel, or substitute offers and services, or vary them by service area, at its sole discretion without notice. All products and services listed are governed by tariffs, terms of service, or terms and conditions posted at centurylink.com. **Prism:** Subscription to Prism service in certain Prism territories may require a separate local phone service and preclude customers from purchasing high-speed Internet services from any third party. Local channel availability varies by market. Additional charges will apply for additional programming packages, movie channel subscriptions (except for certain movie subscriptions included in Prism Preferred or Premium packages), Pay Per View movies and events, On Demand purchases, and premium services/subscriptions for all plans. CenturyLink-issued equipment and professional installation are required. Professional installation provided at no additional charge for standard install; other fees may apply for abnormal situations. Included equipment will vary and be determined by Prism package selected. Equipment Return Policy (30 days after service disconnect; applicable charges for unreturned/damaged equipment) applies; see Prism terms and conditions at centurylink.com. **Wireless Set-Top Box (WSTB)** – A \$9.99 monthly recurring fee per WSTB will apply for all Prism Packages; limit 3 per household. A one-time \$49.95 surcharge will apply to a second and third WSTB requested. Range is limited; power and connection to tv required. Additional restrictions may apply. See additional details [here](#).
