

6.0 SED'S PRICE EVALUATION

Qwest has submitted all price tables defined in Section B.4 for priced SED items offered in response to the requirement sets in Sections J.5.1 and J.5.2. We have also submitted all price tables defined in Section B.4 that are associated with SED pricing, but do not contain CLINs for specific priced SED items. Qwest has assured the consistency between the information contained in the proposed SEDs Suites and proposed Section B.4 price tables. Only items included in the SEDs Suites have been included in Section B.4 price tables.
