**Fax over E-mail feature, with up to 20 outgoing Fax pages per month (including cover page(s) if used) is included with Office Plus. Office Plus customers may select upgraded Fax over E-mail plans for additional charges, shown above. Customer must activate the Fax over E-mail feature via SiteControl in order to use it. Confirmation that the Fax was processed can be sent to the Office Plus account administrator or user. Confirmation pages are not included in the monthly page total. The number of Faxes can be monitored in SiteControl. A maximum of 3 users per Office Plus account can use the Fax over E-mail feature. Users are identified by the Office Plus account administrator via SiteControl. Faxes are stored for 4 months, provided your account is still active.

*** An additional Fax over E-mail number provides you with an additional "phone number" over which you can receive Fax over E-mail faxes. The number assigned to you for that purpose can only be used for Fax over E-mail Service, and is not enabled for other services, such as voice service. Fax over E-mail numbers are designed to point to your IP e-mail address, so faxes sent to that number appear in your e-mail inbox.
