EQUAL EMPLOYMENT OPPORTUNITY STATEMENT

QWEST EQUAL EMPLOYMENT OPPORTUNITY

Qwest Broadband Services Inc., is dedicated to equal employment opportunity. We provide equal employment opportunities to all individuals based on job-related qualifications and ability to perform a job, without regard to age, sex, race, color, religion, sexual orientation, national origin, veteran status, or disability. It is our policy to maintain a non-discriminatory environment free from intimidation, harassment or bias.

Section I: PRELIMINARY STATEMENT

Qwest has prepared this equal employment opportunity program as a reaffirmation of its commitment to equal employment opportunity. In preparation for this plan, the terminology used in the Federal Communications Commission 47 CFR Part 76, rules and regulations has been used as a guide.

In developing and implementing this plan, Qwest has been guided by its established policy of providing equal employment opportunity. This program is intended to widely disseminate to the community notices of job vacancies to qualified candidates and community groups involved in assisting job seekers regardless of whether they are a minority or women's group. This plan has been developed in strict reliance upon the rules and regulations issued by the Federal Communications Commission.

As required, Qwest Broadband Services Inc., maintains this report at the unit's public file.

Section II: FULL TIME JOB VACANCIES

There were no full time job vacancies filled externally during the period covered by this report: October 1, 2010 to September 30, 2011.

Recruiting – Qwest attends and hosts many recruiting fairs annually throughout our region, outreaching to the community for individuals who may have an interest in working at Qwest. To recruit a diverse source pool Qwest utilizes radio, job fairs, print advertising, e.g., newspapers, DirectEmployer's Association who post Qwest's job advertisements with the appropriate state agencies. Additionally, Qwest posts external job advertisements to more than 100 diversity sites. An applicant may initially find the job advertisement through a diverse site, such as AfricanAmericanJobs.org through CareerBuilder, and then following Qwest's procedures, the applicant completes a profile through the Qwest.com site. Openings are also made available to existing employees on the Company's intranet and employees are encouraged to refer their friends and families to the Qwest.com site to apply.

Qwest jobs are posted through DirectEmployers Association as shown in the table below:

and contact person, and identify the category or categories of job openings for which it requests notices. Requests should be directed to Qwest Corporation, 1801 California Street, Suite 295, Denver, CO 80202 or to staffing@qwest.com.

Qwest Broadband Services, Inc. is an Equal Opportunity Employer.

Section IV: LONG TERM RECRUITMENT ACTIVITIES

In accordance with FCC 47 CFR Part 76, Qwest Douglas and Sarpy County, Omaha Nebraska, conducted two of the sixteen suggested long-term recruitment activities. Option 5, Establishment of an internship program designed to assist members of the community in acquiring skills needed for multichannel video programming distributor employment. Option 14, provision of training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.

1. Option 5: Establishment of an internship program designed to assist members of the community in acquiring skills needed for multichannel video programming distributor employment.

Qwest provided internship opportunities to members of the community. Working with unit personnel, projects were provided to our interns that could assist them in acquiring skills needed for multichannel video programming distributor employment. Examples of the projects/training include:

Intern worked directly with various department personnel necessary for the operations, maintenance and support of a Digital CATV Head End and delivery of Digital CATV services. Interns responsibilities included working on improving current technical skills while learning new skills and training through several projects already underway.

Intern performed rack & stack, powering, cabling, terminations, and dressing/labeling HeadEnd Video distribution equipment. Equipment installed will be used to convert Video services to Internet Protocol (IP) for an IPTV project. Intern also assisted in the turn up and provisioning of that equipment.

Intern was provided training on our legacy VDSL and BPON FTTH video platforms as well as training in video equipment element management and services management systems including NMX and DNCS.

Intern's work included utilizing local troubleshooting process and understanding Centurylink's urgency related to outages. Additionally, intern was provided exposure to the planning and testing of new platforms, which included interfacing with the Video Technical Management group in Engineering, the Video IP Network Technical Support and Server Technical Support Groups.

Intern received additional exposure to Head End Operations by working with the VROC Alarm Management Tier III Technical Support team and the VROC Server Team on analyzing alarms in the VROC Netcool Event management system.

2. Option 14: Provision of training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.

All unit employees are required to take an on-line code of conduct training which covers our non discrimination and equal opportunity policy. This training provides notice to managers that they are responsible for insuring an environment free of discrimination. It further provides the requirement that managers must report any instance of discrimination to the company's compliance hotline.
