## Application for Low Income or Disabled Discounts

You may qualify for a discount on your monthly telephone bill if you or a member of your household receives low income or disability benefits under certain programs. The programs that qualify for low income benefits or disability benefits are listed below.

If you or a member of your household receives benefits from one or more of the programs listed below, please check all that apply, complete the remainder of the form, and return it to your local voice provider with documentation verifying participation in at least one program. Documentation may include a benefit card or a letter to you or a member of your household from the federal, state, or local agency that administers the qualifying program.
