

CenturyLink provides broadband, television, voice and wireless services to consumers and businesses across the country. We also provide data, voice and managed services to business, government and wholesale customers in local, national and select international markets through our high-quality advanced fiber optic network and multiple data centers. Our customers range from Fortune 500 companies in some of the country's largest cities to families living in rural America. For more information, visit www.centurylink.com.
