

1. About California Telephone Assistance Program (CTAP)

The CTAP discount is a state benefit that lowers the monthly cost of phone service.

Rules

If you qualify, your household can get the California Telephone Assistance Program (CTAP) for your phone. Your household cannot get CTAP from more than one phone company.

You are only allowed to get one CTAP benefit per household, **not per person**. If more than one person in your household gets CTAP, you are breaking the rules and will lose your benefit.

What is a household?

A household is a group of people who live together and share income and expenses (even if they are not related to each other).

Do not give your benefit to another person

The CTAP is non-transferable. You cannot give your CTAP benefit to another person, even if they qualify.

You must give accurate and true information on this form and on all CTAP related forms or questionnaires. If you give false or fraudulent information, you will lose your CTAP benefit (i.e., de-enrollment or being barred from the program).

You will need to show an official document to prove your participation in the Medicaid program. You must submit copies of your official documents with this application.

Provide a copy of one of the following:

1. A copy of a program award letter or government agency document containing your name, your address, the program name and the **effective date of the award**.
2. Only program cards that display your name, your address or state, program name and effective date will be accepted.
