

CenturyLink® Fiber+ Essentials

Internet Service

Delivered over a fiber connection, CenturyLink Fiber+ Essentials gives you secure internet and Wi-Fi access to use for employees and guests. After installation is complete, CenturyLink will take the burden of managing the device and give you the ability to make self-service Wi-Fi changes as needed.

Business Solutions

CenturyLink Fiber+ Essentials provides you more than just internet connection, it gives your business the ability to give your employees and guests access to Wi-Fi as well as tools such as Microsoft Office 365, data back up and web tools to keep your business moving forward.

62% of customers spend more time in a business that offers free Wi-Fi and 50% of customers spend more money in a business that offers free Wi-Fi.*
