

# The Internet is waiting.

Let's go!

## Mobile Device Instructions

**Note:** You may have received a link to sign your Terms and Conditions via email or SMS.

### If you've **already signed** the Terms and Conditions

**1 Power**  
up your modem  
**(once powered up, please allow device to update with the latest software, approximately 15 minutes)**

**2 Enjoy**  
streaming, surfing,  
shopping, and  
everything else you  
love to do online

**3 Log in**  
to make it easier to connect more  
devices to your WiFi. Go to  
**[centurylink.com/myaccount](https://centurylink.com/myaccount)**,  
select "My Products" and then  
"Change My WiFi Settings" to  
personalize your WiFi credentials

### If you have **not signed** the Terms and Conditions

**1 Download**  
"My CenturyLink"  
from app store

**2 Launch**  
app and select  
"Install My  
New Modem"

**3 Follow**  
on-screen instructions to  
power up your modem  
**(once powered up, please allow device to update with the latest software, approximately 15 minutes)**

**4 Enjoy**  
streaming,  
shopping, surfing, and  
everything else you love  
to do online

# Using a computer? No problem.

**1 Connect**  
one end of green cord into green slot on back of modem and the other end into phone jack. Plug in power cord to wall outlet.  
**(please allow device approximately 15 minutes to update with latest software)**

**2 Connect**  
modem to computer with yellow ethernet cord.  
If your device has no ethernet jack, log in with WiFi using the information on the back of the modem.

**Note:** You may have received a link to sign your Terms and Conditions via email or SMS.

**3 If you've already signed the Terms and Conditions** you're all set to use the internet

To make it easier to connect more devices to your WiFi, go to [centurylink.com/myaccount](http://centurylink.com/myaccount), select "My Products" and then "Change my WiFi settings" to personalize your WiFi credentials

**Important:**  
Do not use HTTPS:// 

**If you have not signed the Terms and Conditions**

go to <http://connect.centurylink.com> using your browser and follow the on-screen instructions on the welcome page
