**CENTURYLINK PRISM TV SERVICES SUBSCRIBER AGREEMENT - UPDATED
01-24-2019**

This CenturyLink PrismTV Services subscriber agreement, together with the exhibits and materials referenced herein ("Agreement") is between CenturyTel Broadband Services, LLC (or other, applicable CenturyLink operating company providing the Services at your location) ("CenturyLink") and the end user of the CenturyLink service(s) described below ("you" or "Customer"). For customer convenience, this Agreement combines obligations of multiple CenturyLink entities, but does not create joint liability between the CenturyLink entities. The particular CenturyLink entity providing you Service, Equipment and/or Software and the provision and receipt of such is subject to all provisions of the Agreement, unless otherwise specified herein. Please review the Agreement carefully, as it governs your use of digital television services, marketed as "PrismTV" and any other CenturyLink services provided now or in the future via a digital television platform (collectively, "Services"). This Agreement will remain in full force and effect until terminated as provided for below. For purposes of this Agreement, the terms "we" or "us" or "our" refer to CenturyLink. For purposes of this Agreement, the terms "you" or "your" or "Subscriber" or "Customer" refer to you, the Services subscriber, including all other members and/or guests of the Subscriber Location where CenturyLink provides Services and Equipment.

THIS AGREEMENT DESCRIBES THE TERMS AND CONDITIONS UNDER WHICH WE WILL PROVIDE SERVICES AND EQUIPMENT TO BOTH RESIDENTIAL AND BUSINESS SUBSCRIBERS. Unless a section is specifically noted as applying only to residential or business subscribers, respectively, the terms and conditions of this Agreement apply to both residential and business subscribers. **You should carefully read this Agreement, including the required use of arbitration on an individual basis to resolve disputes, rather than jury trials or class actions, and the limitations on the remedies available to you in the event of a dispute, as fully described in the "DISPUTE RESOLUTION" section of this Agreement.**

You must accept this Agreement as a condition of receiving Services and Equipment. If you are a residential subscriber, you must be at least 18 years of age to accept this Agreement, and by accepting this Agreement, you confirm you are an adult of at least 18 years of age. If you are a business subscriber, by accepting this Agreement, you confirm (through your duly authorized representative) that you are a corporation, partnership, or other legal entity duly formed and in good standing where required to do business with all legal authority and power to accept this Agreement; and you are also confirming that this Agreement constitutes a valid and binding obligation of yours. All use of the Services and Equipment, whether or not authorized by you, shall be deemed your use. You are responsible for ensuring that all use of the Services and Equipment complies with this Agreement.

If you are a new Services subscriber, your enrollment in, activation of, or paying for Services constitutes your acceptance of this Agreement, even if you choose not to read it, and its terms and conditions will be legally binding upon you. If you do not accept this Agreement, do not use the Services and notify CenturyLink immediately to cancel the Services.

1. SERVICES

- 1. Optional Value-Added Services.** CenturyLink may make available

for purchase or use at no charge optional value-added or associated services that complement, enhance your use or enjoyment of Services, or are available with Services (e.g., Prism TV app) (collectively, "Associated Services"). Associated Services may be made available or removed by CenturyLink at any time with or without notice to you. If CenturyLink removes an Associated Service for which there is a charge to you, CenturyLink will cease charging you for such Associated Service in a manner consistent with the terms of this Agreement. For purposes of this Agreement and except to the extent otherwise specified here or under any specific terms and conditions for an individual Associated Service, all Associated Services are considered to be a subset of Services and included in such definition.

- 2. Viewing Limitations.** Services are provided to you for your home or business location, depending on your type of Services subscription (each, a "Subscription Location"). You agree that the Services provided will not be viewed in a manner inconsistent with your type of Services subscription and you will not permit Services to be viewed in an area other than the Subscription Location (e.g., a residential subscriber will not permit the Services to be publicly viewed outside his/her residence); provided, however, CenturyLink may make available an Associated Service allowing you to view Services through an online or mobile application on CenturyLink-approved devices and equipment, at no charge or for additional monthly and/or one-time charges. The Services may not be rebroadcast, transmitted, recorded in an unauthorized manner, or performed, nor may admission be charged for listening to or viewing any Services provided by us. If we later determine that you utilized your Equipment (as defined in the "EQUIPMENT" section of this Agreement), or sold, leased or otherwise gave possession or use of the same to a third party whom you knew or reasonably should have known intended to use such Equipment to permit the viewing of the Services in a manner inconsistent with your type of Services subscription (for example, Equipment assigned to a residential subscription being used to support a commercial establishment or any other area open to the public), we may terminate the Services and in addition to all other applicable fees, you agree to pay us the difference between the price actually paid for the Services and the full rate and charges associated with the type of Services subscription you were enabling. The payment of that amount and/or the termination of Services will not prejudice our ability to exercise any other rights and remedies we may have under this Agreement, at law, in equity, or otherwise. Services are provided in standard definition, but you may choose to add high definition Services to your account for an additional monthly charge. High definition availability and the maximum number of high definition video streams available to a Subscriber depends on the actual location of the Subscription Location and does not depend on the number of set-top box receivers at the Subscription Location. Certain Services transmitted by us, including but not limited to some subscription Services, sporting events and broadcast network Services, may be blacked out in your

area of reception. If you circumvent or attempt to circumvent any of these blackouts, you may be subject to legal action. **In our sole discretion and without liability to you, we may place restrictions on the use of your Services, and immediately disrupt, suspend, or terminate your Services without notice for violations, suspected violations, or to prevent violations of this Agreement.**

3. Prism Purchased Through CenturyLink ON Portal. Some customers are able to purchase Services through the CenturyLink ON portal (“Portal Customers”). Except as otherwise provided below in this Section 1(C), the remaining provisions of this Agreement apply to Portal Customers. The following provisions apply only to Portal Customers:

1. Portal Customers will have to self-install their Equipment. No technician will be coming to your Subscription Location to install it for you. Your Equipment should arrive within one or two business days after your order is final. We will send you instructions on how to install the Equipment, and you may call 1-866-314-4148 or chat with us at <http://www.centurylink.com/help/chat?ent=c&team1=prism> if you need assistance during the self-install process.
2. Portal customers will have to set up automatic, monthly recurring payments for their Services on a credit card. Monthly recurring charges will be billed to your credit card on file in advance. If you purchase any Video on Demand or Pay Per View content, those purchases will be billed to your credit card on file with us within a day or two of your order.
3. Services are available without any early termination liability because there are no term commitments connected with Services purchased through the Portal.
4. You may cancel your Services at any time by following the cancellation instructions in the Portal. However, if you cancel your Services on any day other than the first day of your applicable billing cycle, your payment for that month of Services will not be prorated or refunded and your Services will terminate on that date.

4. Modem; Set-Top Box Receivers; Multiple Subscription Locations. To independently tune televisions within your Subscription Location, a separate set-top box receiver (including tuner) is required for each television. The Services include a modem, which will be assessed a separate, monthly charge. You will be assessed an additional monthly charge for each set-top box in your Subscription Location. If you desire to receive Services at multiple Subscription Locations (including multiple residences within your dwelling or multiple business locations), you must open separate accounts for each Subscription Location. You agree that you will not directly or indirectly use a single account for the purpose of authorizing

Services for multiple set-top box receivers that are not all located at the same Subscription Location. If we later determine that you have violated the terms of this section, we may terminate your Services and, in addition to all other applicable fees, you agree to pay us the difference between the amounts actually received by us and the full retail price for the Services authorized for each set-top box receiver on the account, whether owned by you or not. The payment of that amount and/or the termination of Services will not prejudice our ability to exercise any other rights and remedies we may have under this Agreement, at law, in equity, or otherwise.

- 5. Permission to Install Services and Equipment; Access; Site Preparation; Repair.** You represent and warrant that you have all rights necessary to authorize our installation and support of the Services and Equipment, including all necessary approvals to install, provide, repair, and/or maintain the Services and Equipment from any landlord or property owner other than you. When repairs or maintenance are needed, you agree to contact us for any technical and other Service support issues through the toll free numbers CenturyLink provides to you. In all instances, you will provide access to us or facilitate access for us upon our request during all hours consistent with the requirements of installation, repair, maintenance, and provision of Services, and you further grant to us and our subcontractors the limited right to come onto the property where the Subscription Location resides in your absence and without your prior consent in order to perform any repairs or maintenance on our facilities located outside or on the exterior of the applicable property. You will prepare the Subscriber Location to comply with Equipment manufacturers or our installation and maintenance specifications. You warrant that the Subscription Location is free of asbestos (whether encapsulated or exposed) and other hazardous materials as defined by federal or state law. If this warranty cannot be made prior to installing, repairing, or maintaining Services or Equipment, we will, in addition to any other legal or equitable remedies, (a) decline to make any Service or Equipment installations, repairs, or maintenance in areas known or suspected of containing hazardous materials; or (b) delay any Service or Equipment installation, repairs, or maintenance in areas known or suspected of containing hazardous materials until such areas or materials are resolved to our satisfaction.
- 6. Physical Address; Moves.** When setting up your Services account, you agree to provide us with the physical street address where the Equipment will be located, and the physical street address that will constitute your billing address. A post office box does not constitute a physical address and is not sufficient to meet this requirement. If you move to another location (including a move within the same building), you are not guaranteed to have Services at that new location. CenturyLink must confirm that Services are available at that location, and additional or different charges may apply for Services at that location.

7. Restrictions.

1. General. You will not use the Services or Equipment in any manner not permitted by this Agreement, and you will not violate any law, rule, or regulation. You will not encourage or instruct any other individual or entity to do any of the foregoing.
2. Abusive Behavior; Fraud. You will not harass, threaten, or defame CenturyLink, employees of CenturyLink, or any contractor or subcontractor of CenturyLink. You will not commit any fraud or act fraudulently in any way related to Services or Equipment, or enable or assist anyone in any fraudulent activities or behavior.
3. Privacy. You will neither violate the privacy rights of any person or collect or disclose any personal address, social security number, or any other personally identifiable information without the written consent of the individual to which the information relates.
4. Intellectual Property. You will not infringe upon the copyrights, trademark rights, trade secret rights, or other intellectual property rights of any person or entity, including any such rights related to Services or Equipment. You will neither reproduce, publish, or disseminate the works of authorship of any other person or entity without the written permission of the copyright holder, nor reproduce, modify, adapt, prepare derivative works of, perform, display, publish, distribute, transmit, broadcast, sell, license or otherwise exploit Services or the Equipment.
5. Hacking, Viruses, and Network Attacks. You will neither access any account without authorization, nor attempt to penetrate or disable any security system. You will not intentionally distribute a virus, launch a denial of service attack, or in any other way attempt to interfere with the functioning of any communications system or website. You will not use any automated data gathering or extraction tools, program, algorithm or methodology to access, acquire, copy or monitor the Services or Equipment. You will not attempt to access or otherwise interfere with the account of other users of Services or Equipment.

8. **Services and Equipment Under Special Arrangements.** Some subscribers may receive Services and Equipment through special arrangements with their landlord, property owner, or property developer or manager. If you have such an arrangement, this Agreement will apply to the Services and Equipment (except that CenturyLink may not directly charge you for Services and Equipment) provided to you as part of the special arrangement, and the Equipment return provisions may not apply to you. All charges and

fees for Services to which you subscribe in addition to the special arrangement will be your responsibility. You may have an additional agreement or contract with your landlord, property owner, or property developer or manager that covers any applicable special arrangement. Any such additional agreement or contract is outside this Agreement and CenturyLink has no responsibility or obligations under such agreement, nor is bound by, the terms of such agreement. If the special arrangement with your landlord, property owner, or property developer or manager terminates, you will continue receiving Services and Equipment under CenturyLink's then-current, standard billing rates and terms and this Agreement.

- 9. Promotions.** You may be eligible for certain discounts, features, promotions, and other benefits associated with your subscription to Services and Equipment, as we offer to you in marketing and informational materials (collectively, "Promotions"). All Promotions are provided to you so long as you continue to meet all qualification requirements, but each Promotion may be modified or terminated at any time as described in this Agreement or as described in the applicable Promotion materials. Unless otherwise set forth in the applicable Promotion materials, then-current, standard monthly rates, charges, and fees will be charged at the conclusion of the relevant Promotion period or when you no longer qualify for such Promotions.
- 10. Recommendations.** When we provide you with the Services, we obtain and use information about programming watched, recorded or accessed through your account. We use this data, in part, to: 1) make general recommendations to all customers (e.g., what programming is most popular among all viewers, etc.); and 2) make specific recommendations to customers based on their individual viewing habits. You can opt out of receiving the specific recommendations if you would like to, but you cannot opt out of receiving the general recommendations. To opt out of the collection and use of your viewing habits, follow the instructions at the Guidance Center.
- 11. Changes in Services, Equipment, or this Agreement.** We reserve the right to change the terms of this Agreement, the Services, Equipment, and our prices or fees related to the Services and Equipment at any time. If the change is material, we will provide you written notice of the change and its effective date. The notice may be provided on your billing statement or by other, reasonable method of notice at our sole discretion, which may include bill inserts, separate mailings to you, email notification, recorded announcement, or posting of changes to terms and conditions to the centurylink.com website. We will not provide notice of changes to applicable taxes or surcharges, unless required by law or regulation. We will not provide notice to you regarding price decreases or the expiration of promotional pricing, offers, and terms. Changes will become effective on the date described in any notice. In the event of a change in the contents of any programming, programming packages or other Services, you understand and agree that we have no obligation to

replace or supplement the programming, programming packages or other Services previously offered that have been deleted, rearranged or otherwise changed. You further understand and agree you will not be entitled to any refund because of a change in the contents of any programming, programming packages, or other Services previously offered. **Your continued use of the Services after any change constitutes your acceptance of any such changes in Services, prices, terms, or conditions, and the revised Agreement. Your sole remedy for any material changes made by us is your right to cancel the affected Service or terminate this Agreement**

2. EQUIPMENT

- 1. Delivery and Installation.** Equipment may be delivered to you only in the United States. You understand that Prism requires a technician installation (except for Portal Customers). In order for you to receive the Services, it will be necessary for us to install certain reception or Service-enabling equipment consisting primarily of a modem, one set-top box receiver per TV installed, and any accompanying software, in addition to all reception or Service-enabling equipment and software that you may add in the future (collectively, "Equipment"). Equipment may be new or fully inspected and tested. We reserve the right to require you to purchase or rent the modem from us and disallow you to use any modem not provided or approved by CenturyLink in connection with the Services. You agree to pay all monthly charges assessed in connection with Equipment you rent from us to enable the Services, and pay all one-time charges assessed in connection with Equipment you purchase from us to enable the Services. The standard installation includes an initial, minimum number of set-top boxes per Subscriber account during the initial installation meeting. Additional installation charges will be assessed for each set-top box beyond the initial, minimum number of set-top boxes installed during the initial installation meeting. Additional installation charges also will be assessed for each set top box installed during subsequent installation meetings. You will provide reasonable cooperation to enable us or our agents to install, repair, or maintain Equipment.
- 2. Set-Top Box Receiver.** Your set-top box receiver contains certain components and software which are proprietary to us or our suppliers. If you subscribe to the digital video recording ("DVR") service, CenturyLink may limit the number of set top box receivers on your Subscriber account that contains a DVR hard drive. Wireless set-top box receivers may be available in some locations, but the range of such wireless receivers is limited and coverage area may vary. CenturyLink reserves the right to limit the number of set-top box receivers that may be placed on a single account. The set-top box receiver is configured with digital rights management capability designed to prevent unauthorized duplication of copyrighted material. You agree that you will not try to tamper, modify, reverse-engineer, decompile or disassemble any software or hardware contained within your set-top box receiver, DVR hard drive, digital

rights management capability, or modem. Such actions are strictly prohibited and may result in the termination of your Services and/or legal action. If a set-top box receiver is replaced for any reason, CenturyLink has no responsibility or obligation for any content, materials, or software on the replaced set-top box receiver. In such instances, any such content, materials, or software will not be saved or retained.

3. **Loss of Equipment.** If your Equipment is stolen or otherwise removed from your Subscription Location without your authorization, you must notify CenturyLink immediately, but in any event, not more than three (3) business days after such removal to avoid liability for payment for unauthorized use of the Equipment. You may be liable for any unauthorized use that occurs after the date upon which we have received your timely notification.
4. **Equipment.** Separately purchased or leased equipment is required to use the Service. Certain Equipment is available from CenturyLink.
 1. Leased Equipment from CenturyLink: (i) The Equipment is CenturyLink's property and you may not assign, rent, or transfer the Equipment or your rights or duties under this Agreement to another without CenturyLink's prior written consent; (ii) you agree not to mishandle, abuse, misuse, or improperly store or operate the Equipment, including using the Equipment with equipment electrically or mechanically incompatible with, or of inferior quality to, it, and (iii) you agree if the Equipment is damaged by you and/or non-operational or malfunctioning for reasons other than a manufacturing defect at anytime during the term of this Agreement or upon termination of this Agreement, CenturyLink may charge you for its full retail cost, not to exceed \$200 (the "Equipment Charge"). CenturyLink does not refund or credit leases, so please call CenturyLink immediately if your leased Equipment is not working properly for replacement Equipment. If you are leasing Equipment and wish to instead purchase Equipment from CenturyLink, you are required to return your leased Equipment according to the Equipment Return provision below, and then the terms and conditions specific to purchased equipment will apply going forward. Lease payments are due for every month you lease the Equipment and lease payments do not count towards a purchase of the Equipment. Our ownership of Equipment may be displayed by notice contained on the Equipment. You will have no right to pledge, sell, mortgage, give away or remove, relocate, alter or tamper with the Equipment (or any notice of our ownership thereon) at any time. Any work related to Equipment that we perform, including reinstallation, return of, or change in location of the Equipment, will be at the service rates in effect at the time of service. You will not attach any electrical or other

devices to or otherwise alter the Equipment without our prior consent. We have the right to make such filings as are necessary to evidence our ownership rights in the Equipment, and you agree to execute any and all documents as are necessary for us to make such filings.

2. Purchased Equipment from CenturyLink. You will be deemed the owner of the purchased Equipment, and bear all risk of loss of, theft of, casualty to or damage to the Equipment. Damaged or defective Equipment will be governed by the Damaged/Defective Equipment provision below.
3. Customer-Provided Equipment. If you do not purchase or lease Equipment from CenturyLink you understand and acknowledge that CENTURYLINK, ITS AFFILIATES, SUPPLIERS, AND/OR AGENTS WILL NOT BE RESPONSIBLE/LIABLE IF YOU CANNOT ACCESS YOUR SERVICE, IF SERVICE DOES NOT FUNCTION CORRECTLY OR AT ALL, OR IF CUSTOMER EQUIPMENT, SOFTWARE, PERIPHERALS, DATA, OR EQUIPMENT IS DAMAGED, YOU WILL BE LIABLE TO CENTURYLINK FOR DAMAGE TO ANY EQUIPMENT LEASED FROM CENTURYLINK. The foregoing limitation of liability is in addition to and will not limit any other limitation of liability set forth in this Agreement.
5. **Damaged/Defective Equipment.** If the Equipment is inoperable, technical support is available at 1-888-777-9569. If CenturyLink deems the Equipment has a manufacturing defect, the manufacturer's warranty will apply if it has not expired. If the Equipment fails as a result of a manufacturing defect after the manufacturer's warranty has expired or fails for any other reason you may request that CenturyLink deliver replacement Equipment. Any such replacement Equipment will be charged to you at CenturyLink's then current rates, plus shipping and handling and any applicable taxes. If CenturyLink provides you replacement lease Equipment due to a manufacturing defect outside the manufacturer's warranty, you will be charged the full retail cost of your non-operational or malfunctioning Equipment plus a monthly lease charge for the replacement Equipment. Replacement Equipment may or may not be the same model.
6. **Equipment Return following Service Cancellation or Termination; Return of Equipment Deposits.** Upon cancellation or termination of Services for any reason, you must promptly return any Equipment (leased from or provided by CenturyLink that you have not purchased from CenturyLink) to CenturyLink by following the return process found in the Equipment box (black and white card) or in the User Manual. CenturyLink will, at its option, either: (1) charge you the Equipment Charge (up to \$200) if CenturyLink does not receive the Equipment within 30 days following termination; (2) charge you the Equipment Charge upon termination and credit you back for

such charge ONLY if CenturyLink receives your Equipment within 30 days following termination; or (3) continue to charge you the monthly lease charge for the Equipment until CenturyLink receives the equipment, if applicable.

7. **Damage to Equipment.** You will notify us promptly by providing written notice to CenturyLink as described in the “**Notice**” subsection of this Agreement of any defect in, damage to, or accident involving the Equipment. All maintenance and repair of the Equipment will be performed by us or our designees. We may charge you for any repairs that are necessitated by any damage to, or misuse of, the Equipment, which determination will be made by CenturyLink, in its sole discretion. You are responsible for damage to the Equipment and Services located on your premises, excluding reasonable wear and tear or damage that we directly cause.

8. **Software.**

1. End User License Agreements. Use of Services, including Associated Services, and Equipment may require or enable you to download, install, or use certain software that is owned by CenturyLink or third parties. By downloading, installing or using such software, you are agreeing to abide by the applicable terms of this Agreement. To utilize any licensed software associated with the Services or Equipment provided by our software vendors or licensors, you must agree to applicable software end user license agreements governing such software. If you decline, you will not be able to use the Services or Equipment. All such software end user license agreements are solely between you and our software vendors/licensors. We have no obligations or responsibility for such software. Your sole rights and obligations related to such software, in any way, are governed by the terms of your software license agreements with our vendors and licensors. You are responsible for any software not provided by our software vendors and licensors, including installation, operation, and maintenance. If any of your software impairs the Services, Equipment, or any of our products or services, we may, in our sole discretion, suspend the Services until you remedy such impairment or we may disconnect the Services. You also will continue to pay us for Services during any such impairment or Service suspension. CenturyLink and our software vendors and licensors have no liability if changes in Services or Equipment causes any of equipment or software you have provided to become obsolete, require alteration, or perform at lower levels. If any required or necessary software for the Services or Equipment is not accompanied by a software end user license agreement, CenturyLink grants you a limited, personal, revocable, nonexclusive, nontransferable, non-assignable license to install and use such software only for purposes in association with Services or Equip-

ment, as applicable, and such license extends only to Subscriber's own use of such software. Software may be used in the United States only, and any export of the software is strictly prohibited.

2. **No Modification.** In all instances, you may not modify any software in any way or change or delete any copyrights, trademarks, service marks or other proprietary rights or notices of CenturyLink or a third party which appear or are used in connection with the software, Services, or Equipment. You agree that the software is the confidential and proprietary property of its owner and may not be disclosed or reproduced unless specifically authorized by CenturyLink or a third-party. In addition, you agree that you will not de-compile, disassemble, reverse engineer or otherwise reduce the software to a human readable form.
 3. **Ownership.** You acknowledge that CenturyLink or its software vendors and licensors of the software, as applicable, own all right title and interest, including without limitation all copyright, patent, trademark, and trade secret rights in the software and related documentation, updates, and upgrades. You are not granted any ownership rights in the software and may not sublicense, loan, rent, lease, distribute, share, or otherwise transfer the software to anyone else.
 4. **Updates, Upgrades, or Changes** CenturyLink may alter, update, upgrade or change the software and related settings on Equipment at any time. You agree to cooperate with CenturyLink in performing such activities. A program downloaded to Equipment when Services are installed will perform automatic updates to certain Service-related software on a regular basis. This program may collect certain information necessary to perform this function. Any information collected as part of this process will be treated in accordance with the CenturyLink Privacy Policy.
 5. **License Termination.** Your license to use software will remain in effect until terminated by CenturyLink or its software vendors and licensors, or until Services are terminated. If you subscribe to or otherwise use any third-party services offered by CenturyLink in connection with the Services or Equipment, your use of such services is subject to the end user license agreement of that third-party provider. Violation of those terms may, in our sole discretion, result in the termination of Services.
9. **Electrical Wiring.** You acknowledge that CenturyLink may use existing wiring or alter existing wiring at the Subscription Location. You warrant that you own such existing wiring or have approvals from any landlord or property owner other than you to permit Centu-

ryLink to use such existing wiring. You are responsible, at your expense, for all ground wire connections at the Subscription Location. You will also ensure availability of a separate electric source, circuits and power with suitable outlets at the Subscription Location. You will pay the cost of electricians or conduit, if required.

10. **Proper Use.** You will properly use Equipment and will not, nor will you permit or assist others to, use Equipment for any purpose other than its intended purpose, fail to maintain a suitable environment according to the manufacturer's specifications, or tamper with Equipment. If you fail to comply, you will release us from our performance and liability obligations (including any warranty or indemnity obligations) to you and you will pay us all costs or damages we incur as a result of your breach.
11. **Non-CenturyLink Equipment.** You are solely responsible for the compatibility and non-infringing use of any equipment other than Equipment that you add to, or otherwise used in conjunction with Equipment. Your use or combination of non-compatible or infringing equipment will, at our option, void any remaining warranty on Equipment or any Services that are adversely affected.

3. **TRANSFER OF SERVICES OR EQUIPMENT; ASSIGNMENT; VACATION SERVICES.**

1. **No Resale, Distribution, or Transfer; Assignment** You will not resell, distribute, or transfer this Agreement and/or the Service or Equipment via any means unless CenturyLink approves in advance and such action is consistent with CenturyLink policies and procedures. CenturyLink may assign this Agreement and your rights and obligations under this Agreement, in whole or in part, at any time without notice to you and you agree to make all subsequent payments as directed. If we do that, we have no further obligations to you. You may not assign or transfer your Services or Equipment without our written consent.
2. **Vacation Service** We offer a vacation option for Services. You must contact CenturyLink customer service and request to activate this option. We will keep the vacation option on your account until you notify us, up to a maximum of 6 months from the date that we activate the vacation option. Under the vacation option, no Service will be available and you will not attempt to use Services in any way. But all Services will remain on your account and we will invoice you for the current monthly recurring charge for Services under the vacation option. We will not invoice you for Service features during the vacation period, but all applicable taxes, fees, and surcharges will continue to be assessed while you are on the vacation option.

4. **BILLING AND PAYMENT**

1. **Charges.** We will bill you for Services on a monthly basis based on current prices and charges provided to you or posted to <http://>

www.centurylink.com, and listed in any written information that we provide to you. In the event of conflict among these prices and charges, the most-current prices and charges govern. You agree to pay these charges and also, if applicable, any activation fees, installation charges (including charges related to unique installation requirements at your Subscription Location), Equipment charges, repair charges, replacements charges, connection charges, usage charges, monthly fees, monthly minimums, any other fees, surcharges, assessments, taxes, and federal, state, and local government or quasi-government imposed or permitted charges. Surcharges and recovery fees, including the Prism Local Broadcast Surcharge and the Prism Sports Network Surcharge, are not taxes and are not required by law, but are set by CenturyLink and may change. Taxes and government fees and surcharges will be in the amounts that federal, state, and local authorities require or permit us to bill you. Please see www.centurylink.com/help for more information about taxes, fees, surcharges, and recovery fees. You agree to pay all taxes, franchise fees, surcharges, assessments, and other fees that are related to the Services or Equipment and included on your invoice or bill, unless you are exempt from these payments and provide documentary evidence of such exemption to us. Upon the cancellation or termination of Services for any reason prior to the end of a billing cycle, we will charge you the pro-rated monthly recurring charges for Services during the billing cycle (along with all applicable nonrecurring charges, taxes, franchise fees, surcharges, and other fees).

2. **Billing.** Monthly recurring charges (“MRCs”) for your Services begin accruing when the Services are available for your use. MRCs are billed in advance, while any usage charges, including video-on-demand and pay-per-view Services, generally are billed in arrears. Your first bill covers both the partial month of Service from the date your Service is activated up to the first day of your first full month of Service, and your first full month of Service. Depending on your location, discounts and promotions may not apply during the partial month of Service. However, you still will receive all applicable Service discounts and promotions for the entire promotional period. If your monthly charges net to \$0, you may not be mailed a paper invoice. Invoice information will remain available in your account information located at <http://www.centurylink.com> or by calling us at the customer service number listed on your invoice, and an additional fee may be charged for invoice reprints.
3. **Payment.** You must pay all charges applicable to your Services, including all applicable taxes, fees, activation fees, and surcharges, in U.S. currency. Your payment due date will be set forth on your invoice. For each month in which any portion of your Services or Equipment charges are not paid by the due date on your invoice, we may charge you a late payment fee or interest on those unpaid balances equal to the maximum amount or interest rate, respectively, allowed by law. If we use a collection agency or initiate any legal action to recover amounts due, you agree to reimburse us for

all expenses we incur to recover such amount or pay all such costs and expenses associated with such collection efforts, including attorneys' fees. We may charge you an insufficient funds or returned check fee, up to the maximum rate allowed by law, if your check, bank draft, electronic funds transfer, or other order for payment is dishonored or returned for insufficient funds or any other reason. Our acceptance of late or partial payment (even those marked, "PAID IN FULL") and late payment charges will not constitute waiver of any of our rights to collect the full amount due under this Agreement.

- 4. Disputed Charges.** Except as otherwise provided by applicable law, disputes concerning any invoiced charges must be raised within 30 days of the invoice date. You accept all charges not disputed within 30 days. However, you may dispute charges resulting from your failure to return Equipment to us in the manner and according to the timelines described in the "**EQUIPMENT**" section of this Agreement after the 30-day period described in this section, but such dispute may only specifically relate to the charges assessed for the return of the Equipment. CenturyLink and its customers waive all rights of subrogation against each other in connection with Services. To dispute a charge on your invoice, you must follow the dispute procedures in this Agreement.
- 5. Credit Check; Deposits; Credit Limits.** Our provision of Services and Equipment to you is subject to our approval of your credit. As part of the credit approval process, CenturyLink may review your credit history on file with us and any credit reporting agency, and may require you to provide a deposit, advance payment, or other security prior to providing you with Services and Equipment. In addition, if your financial circumstance or payment history becomes reasonably unacceptable to CenturyLink after subscribing to Services, CenturyLink may require adequate assurance of future payment as a condition of continuing CenturyLink's provision of Services and Equipment. Your failure to provide adequate assurances required by CenturyLink is a material breach of the Agreement. CenturyLink may provide your payment history or other billing/charge information to any credit reporting agency or industry clearinghouse. If you fail to pay for Services or Equipment when due, we may, without providing notice to you, apply your deposit or advance payment to the amount owed. If you refuse to make a deposit or advance payment or otherwise establish acceptable credit, we reserve the right to refuse to provide you Services and Equipment, or terminate your existing Services and Equipment and assess any application termination fees. As we determine in our sole discretion and to the extent permitted by applicable law, we may set a credit limit on your account at any time. We may restrict the Services to which you have access if you exceed this credit limit. If we required a deposit from you, please be aware that our policy is to refund any deposit taken with interest, in states where applicable, after a period of up to 12 months so long as the account remains current through that entire period. However, if you pay a deposit in connection with

your Services and the state in which the Services are provided does not require CenturyLink to pay interest on that deposit, CenturyLink will not pay you any such interest.

- 6. Early Termination Fee.** If you signed up for a plan that required you to agree to a term commitment for Services, you hereby agree to pay for the Service for that term ("Term Plan"). Your Term Plan begins on the installation date. At the end of any Term Plan you may be given the option to select a new Term Plan. If you do not select a new Term Plan, your Service will automatically convert to a month-to-month Services plan at a monthly fee that may be higher than your current rate. If you select a new Term Plan, the terms of that plan will apply. EXCEPT AS OTHERWISE SET FORTH IN THIS AGREEMENT, IF YOUR SERVICES UNDER A TERM PLAN ARE TERMINATED BY YOU OR BY US BEFORE COMPLETING THAT TERM PLAN, THEN YOU AGREE TO PAY CENTURYLINK THE FOLLOWING EARLY TERMINATION FEE: either (a) an amount equal to \$10 or \$20, depending on the promotional offer or equipment involved, multiplied by the number of months remaining in the then-current term commitment, or (b) such other amount as may be identified to you in a promotional offer (each, an "Early Termination Fee"). The Early Termination Fee described in this section represents our reasonable liquidated damages and is not a penalty.

5. CANCELLATION OF SERVICE

- 1. Services Provided Month-to-Month or Under a Term Plan.** We provide Services and Equipment on either a month-to-month basis or under a Term Plan. For Services and Equipment offered on a month-to-month basis or under a Term Plan, this Agreement applies until either party terminates Services. If you continue to purchase Services and Equipment on a month-to-month basis after completion of the applicable Term Plan, this Agreement will continue to apply to such Services and Equipment.
- 2. General Right to Cancel Services.** We or you have the right to cancel the Services for any reason at any time by notifying the other, including by providing written notice to the other as described in the "Notice" subsection of this Agreement. But the method by which you may terminate Services depends on whether you are terminating Services only, or all or a portion of CenturyLink services (including Services). If you are terminating Services only, you must return the Equipment by following the process described in the "EQUIPMENT" section of this Agreement. You cannot terminate Services only via any other method. If you are terminating all or a portion of CenturyLink services (including Services), you may terminate either by (1) returning the Equipment to a CenturyLink retail store and requesting termination at that time, or (2) calling the provided CenturyLink-provided customer service number and terminating such services (including Services). Please note that using method (2) above to terminate services (including Services) does not change your obligation, as described in the "EQUIPMENT"

section of this Agreement, to return Equipment to CenturyLink or require CenturyLink to return any Equipment deposits to you until the Equipment is returned to us. In all instances, we reserve the right to assess you the Early Termination Fee, when applicable, as described in this Agreement.

3. **CenturyLink's Right to Cancel Services.** We have the right to terminate your Services at any time without providing notice to you if: (1) you fail to pay your bill in full when it is due; (2) we receive confirmation that you have received the Services, or any part of the Services, without paying for them; or (3) you otherwise violate the terms of this Agreement. In all instances, we reserve the right to assess you the Early Termination Fee, when applicable, as described in this Agreement.
4. **Payment Responsibilities after Cancellation of Service.** If your Services are cancelled for any reason, you are still responsible for payment of all outstanding balances accrued, including any applicable taxes, franchise fees, other fees, and surcharges. You are also responsible for the Early Termination Fee described in "BILLING AND PAYMENT" section of this Agreement, if applicable.
5. **Force Majeure Events.** We will not be responsible for any delay, interruption, or other failure to perform under the Agreement due to acts beyond our control ("Force Majeure Events"). Force Majeure Events include, but are not limited to: natural disasters (e.g. lightning, earthquakes, hurricanes, floods); wars, riots, terrorist activities, and civil commotions; inability to obtain parts or equipment from third party suppliers; cable cuts by third parties, a local exchange carrier's activities, and other acts of third parties; explosions and fires; embargoes, strikes, and labor disputes; and governmental decrees and any other cause beyond our reasonable control.

6. LIMITATIONS OF LIABILITY

1. Disclaimer of Warranties.

1. General. CENTURYLINK PROVIDES ALL EQUIPMENT AND SERVICES "AS IS" AND MAKES NO WARRANTY, EITHER EXPRESSED OR IMPLIED, REGARDING ANY EQUIPMENT OR SERVICES FURNISHED TO YOU. ALL SUCH WARRANTIES, INCLUDING IMPLIED WARRANTIES OF NON-INFRINGEMENT, TITLE, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE, ARE EXPRESSLY DISCLAIMED. NO ADVICE OR INFORMATION CENTURYLINK PROVIDES WILL CREATE A WARRANTY WITH RESPECT TO THE ADVICE PROVIDED OR THE SUBJECT MATTER OF SUCH ADVICE.
2. Provision and Operation. CENTURYLINK DOES NOT WARRANT OR GUARANTEE THAT SERVICES CAN BE PROVI-

SCHEDULED AT YOUR DESIRED SERVICES LOCATION OR THAT PROVISIONING WILL OCCUR ACCORDING TO A SPECIFIED SCHEDULE, EVEN IF CENTURYLINK HAS ACCEPTED YOUR ORDER FOR SERVICES. PROVISIONING OF SERVICES IS SUBJECT TO NETWORK AVAILABILITY AND OTHER FACTORS. IN THE EVENT YOUR DESIRED SERVICES LOCATION IS NOT PROVISIONED FOR REASONS DESCRIBED IN THIS SUBSECTION, NEITHER YOU NOR CENTURYLINK WILL HAVE ANY DUTIES OR OBLIGATIONS UNDER THIS AGREEMENT (OTHER THAN YOUR OBLIGATION TO RETURN EQUIPMENT TO CENTURYLINK). CENTURYLINK DOES NOT WARRANT OR GUARANTEE UNINTERRUPTED OR ERROR-FREE SERVICES OR EQUIPMENT. CENTURYLINK WILL NOT BE RESPONSIBLE OR LIABLE FOR ANY DAMAGE RESULTING FROM LOSS OF RECORDED MATERIAL OR THE PREVENTION OF RECORDING DUE TO ANY FAULT, FAILURE, DEFICIENCY OR DEFECT IN SERVICES OR EQUIPMENT, OR CENTURYLINK.

2. **Direct Damages.** CenturyLink is not liable for any damages arising out of or in connection with any: (1) act or omission by you, or another person or entity; (2) provision or failure to provide Services, including deficiencies or problems with any Equipment used in connection with the Services, our networks or Services (for example, transmission failures, interruptions in Services, etc.); (3) content or information accessed while using Services or Equipment; or (4) interruption or failure in accessing or attempting to access Services or information through your use of the Services, including any failures caused by Equipment. IF, FOR ANY REASON, CENTURYLINK IS FOUND TO BE RESPONSIBLE TO YOU FOR MONETARY DAMAGES RELATING TO ANY SERVICES OR EQUIPMENT OBTAINED THROUGH CENTURYLINK AND THIS LIMITATION IS FOUND TO BE UNENFORCEABLE FOR ANY REASON, YOU AGREE THAT ANY SUCH DAMAGES WILL NOT EXCEED THE PRO-RATED MONTHLY RECURRING CHARGES (EXCLUDING ALL NONRECURRING CHARGES, FEES, SURCHARGES, AND TAXES) YOU HAVE PAID FOR THE AFFECTED SERVICES DURING THE AFFECTED PERIOD.
3. **NO CONSEQUENTIAL OR OTHER DAMAGES.** UNDER NO CIRCUMSTANCES IS CENTURYLINK LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, PUNITIVE OR SPECIAL DAMAGES OF ANY NATURE WHATSOEVER ARISING OUT OF OR IN CONNECTION WITH PROVIDING OR FAILING TO PROVIDE SERVICES OR EQUIPMENT USED IN CONNECTION WITH THE SERVICES, WHETHER IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, LOST PROFITS OR REVENUE, LOSS OF OPPORTUNITY, OR COST OF REPLACEMENT SERVICES.
4. **Indemnification.** You will indemnify and defend CenturyLink, its directors, officers, employees, affiliates, subsidiaries, agents, and their successors and assigns from and against all third-party

claims, damages, losses, or liabilities, including reasonable attorneys' fees and punitive damages, arising from or relating to: (1) any violation of applicable laws, regulations, or any provision of this Agreement, (2) installation of, connection to, modification of, repair to, provisioning of, or use of the Services or Equipment, (3) death of any person, (4) damage to personal or real property, or (5) any incorrect or misleading information, or claims for libel, slander, invasion of privacy, identity theft, or intellectual property infringement with respect to the Services or Equipment, that is alleged to have resulted, in whole or in part, from your negligent acts or omissions, the negligent acts or omissions of your contractors, subcontractors, directors, officers, employees, or authorized agents, or the negligent acts or omissions of any person who uses the Services or Equipment with or without your permission.

5. **Infringements.** You understand that you may be held liable under both civil and criminal law for infringements of the intellectual property rights of others, including liability for damages, fees, attorney's fees, and criminal liability including fines and imprisonment.
6. **Other Users.** It is your responsibility to impose any restrictions on viewing by you, other members of your household, or guests, and we will have no liability to anyone due to or based on the content of any of the Services furnished to you.
7. **Extension of Limitations.** All limitations and disclaimers in this section also apply to CenturyLink's third-party licensors, content providers, and supplies, as third-party beneficiaries of this Agreement.
8. **Coverage and Survival.** The remedies described in this Agreement are your sole and exclusive remedies. You may have additional rights under certain laws (such as state consumer protection laws), which do not allow certain exclusions or limitations. All provisions of these limitations of liability section will survive and continue to apply after this Agreement is canceled or terminates.

7. DISPUTE RESOLUTION.

1. **Dispute Process.** Most customer concerns can be resolved quickly and to the customer's satisfaction by contacting our customer service department or through our website. If the customer service department is unable to resolve a complaint you may have to your satisfaction or if CenturyLink has not been able to resolve a dispute it has with you after attempting to do so informally, then we each agree to resolve those disputes through binding arbitration or small claims court, instead of in courts of general jurisdiction.
2. **MANDATORY ARBITRATION OF DISPUTES.** YOU AND CENTURYLINK AGREE TO ARBITRATE ANY AND ALL CLAIMS, CONTROVERSIES OR DISPUTES OF ANY KIND ("CLAIMS") AGAINST EACH OTHER, INCLUDING BUT NOT LIMITED TO CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR CENTURYLINK'S SER-

VICES, SOFTWARE, BILLINGS, ADVERTISEMENTS, OR EQUIPMENT. THIS AGREEMENT TO ARBITRATE IS INTENDED TO BE BROADLY INTERPRETED AND APPLIES TO, AMONG OTHERS: ALL CLAIMS REGARDLESS OF WHETHER THEY ARE BASED IN CONTRACT, TORT, STATUTE, FRAUD, MISREPRESENTATION OR ANY OTHER LEGAL THEORY; ALL CLAIMS THAT AROSE PRIOR TO YOUR RECEIPT OF SERVICES FROM CENTURYLINK (SUCH AS FROM ADVERTISEMENTS) OR PRIOR TO THIS AGREEMENT; ALL CLAIMS THAT ARISE AFTER THE TERMINATION OF CENTURYLINK'S SERVICES TO YOU OR AFTER THE TERMINATION OF THIS AGREEMENT; ALL CLAIMS YOU MAY BRING AGAINST CENTURYLINK'S EMPLOYEES, AGENTS, AFFILIATES OR OTHER REPRESENTATIVES; AND ALL CLAIMS THAT CENTURYLINK MAY BRING AGAINST YOU. THE SOLE EXCEPTION TO THIS ARBITRATION AGREEMENT IS THAT EITHER YOU OR CENTURYLINK MAY, IN THE ALTERNATIVE, BRING CLAIMS IN A SMALL CLAIMS COURT HAVING VALID JURISDICTION. YOU AND CENTURYLINK AGREE, HOWEVER, THAT NEITHER CENTURYLINK NOR YOU WILL JOIN ANY CLAIM WITH A CLAIM OR CLAIMS OF ANY OTHER PERSON(S) OR ENTITY(IES), WHETHER IN A LAWSUIT, ARBITRATION, OR ANY OTHER PROCEEDING. YOU AND CENTURYLINK AGREE THAT NO CLAIMS WILL BE ASSERTED IN ANY REPRESENTATIVE CAPACITY ON BEHALF OF ANYONE ELSE, THAT NO CLAIMS WILL BE RESOLVED ON A CLASS-WIDE OR COLLECTIVE BASIS, THAT NO ARBITRATOR OR ARBITRATION FORUM WILL HAVE JURISDICTION TO ADJUDICATE OR DETERMINE ANY CLAIMS ON A CLASS-WIDE OR COLLECTIVE BASIS, AND THAT NO RULES FOR CLASS-WIDE OR COLLECTIVE ARBITRATION WILL APPLY.

1. Arbitration Procedure. A party who intends to seek arbitration must first send to the other, by certified mail, a written Notice of Dispute ("Notice" or "Notice of Dispute"). The Notice to CenturyLink should be addressed to: 600 New Century Parkway, New Century, KS 66031, Attn: Vice President, Commercial Law ("Notice Address"). The Notice must (1) describe the nature and basis of the claim or dispute; and (2) set forth the specific relief sought ("Demand"). If CenturyLink and you do not reach an agreement to resolve the claim within thirty (30) days after the Notice is received, you or CenturyLink may commence an arbitration proceeding. A single arbitrator engaged in the practice of law will conduct the arbitration. The arbitration will be filed with the American Arbitration Association ("AAA"), the arbitrator will be selected according to the AAA's procedures and the Federal Arbitration Act, 9 U.S.C. §§ 1-16 ("FAA"), and claims will be resolved pursuant to this Mandatory Arbitration of Disputes provision and the AAA's rules in effect when the claim is filed. Claims also may be referred to another arbitration organization if you and CenturyLink agree in writing or to an arbitrator appointed pursuant to section 5 of the FAA. The arbitration will be confidential, but you may notify any government authority of your

claim. At your election, arbitration hearings will take place in the federal judicial district of your Subscription Location.

2. Arbitrator's Authority. The arbitrator is bound by the terms of this Agreement, and the arbitrator's authority is limited to claims between you and CenturyLink alone. The arbitrator has no authority to join or consolidate claims, or adjudicate joined or consolidated claims, unless you and CenturyLink agree in writing. All issues are for the arbitrator to decide, except that issues relating to the scope and enforceability of the Mandatory Arbitration of Disputes provision are for the court to decide. The arbitrator's decision and award is final and binding, and judgment on the award may be entered in any court with jurisdiction. The arbitrator can award the same damages and relief that a court can award, including the award of declaratory or injunctive relief; provided, however, that any declaratory or injunctive relief may only be in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim.
3. Costs of Arbitration. You will be responsible for paying your share of any arbitration fees (including filing, administrative, hearing or other fees), but only up to the amount of the filing fees you would have incurred if you had brought a claim in court. We will be responsible for any additional arbitration fees. You are responsible for all additional costs that you incur in the arbitration, including, but not limited to, fees for attorneys or expert witnesses. If the arbitration proceeding is decided in CenturyLink's favor, you shall reimburse CenturyLink for the fees and costs advanced to you only up to the extent awardable in a judicial proceeding. If the arbitration proceeding is determined in your favor, you will not be required to reimburse CenturyLink for any fees and costs advanced by CenturyLink. If a party elects to appeal an award, the prevailing party in the appeal shall be entitled to recover all reasonable attorneys' fees and costs incurred in that appeal. Notwithstanding anything to the contrary in this Mandatory Arbitration of Disputes provision, CenturyLink will pay all fees and costs that it is required by law to pay.
4. Changes. Notwithstanding any provision in this Agreement to the contrary, you agree that if CenturyLink makes any future change to this Dispute Resolution provision (other than a change to the Notice Address listed above) during the period of time that you are receiving Services, you may reject any such change by sending CenturyLink written notice within 30 days of receiving notice of the change. Your rejection notice must be sent to the Arbitration Notice Address provided above. By rejecting any future change, you are agreeing that you will arbitrate any dispute between

us in accordance with the language of this provision. No changes, however, that are made to this provision after either party has submitted a Notice of Dispute shall be effective as to your and CenturyLink's pending dispute and/or arbitration.

5. **Governing Law, Enforcement, and Waivers.** The Federal Arbitration Act, and not state law, applies to this Dispute Resolution provision and its provisions and, governs all questions of whether a claim is subject to arbitration. If any portion of this Dispute Resolution provision is determined to be invalid or unenforceable, the remainder of the provision remains in full force and effect. If for any reason, the above provisions on arbitration are held unenforceable or are found not to apply to a claim, you and CenturyLink waive the right to a jury trial on your respective claims, and waive any right to pursue any claims on a class or consolidated basis or in a representative capacity. If any party files a judicial or administrative action asserting a claim that is subject to arbitration and another party successfully stays such action or compels arbitration, the party filing that action must pay the other party's costs and expenses incurred in seeking such stay or compelling arbitration, including attorneys' fees.

8. MISCELLANEOUS

1. **Notice.** If we send you a notice, it will be considered given when deposited in the U.S. Mail or with overnight courier mail, addressed to you at your billing address, hand-delivered to you, or distributed via email to the then-current email address provided to us by you. Our notice to you will also be effective if provided on your billing statement or, when posted online, the actual date such notice is posted to <http://www.centurylink.com>. If you have a dispute or want to provide notice to us related to any matter, you agree to notify CenturyLink customer service at the number listed on your invoice and provide all requested information, or write us at 931 14th Street, 9th floor, Denver, Colorado 80202, Attn: Legal Department. You agree that CenturyLink may contact you via email at the email address you provide to us when you order Services or any subsequent email address you provide us. You will provide us with any changes to your email address by updating that address in the manner prescribed to you by CenturyLink.
2. **Applicable Policies.** You agree to comply with applicable CenturyLink policies, including the CenturyLink Acceptable Use Policy and Privacy Policy, both as posted to <http://www.centurylink.com/Pages/AboutUs/Legal>, and incorporated by this reference, when you use Services. If you do not agree with the terms of any of these policies, do not purchase or use Services.
3. **Account Security.** You agree to keep confidential all passwords,

user IDs, IP addresses, and other account identifiers and are solely responsible for any liability or damages resulting from your failure to maintain that confidentiality. You are solely and fully responsible and liable for all activities that occur under your CenturyLink account, password, user ID, or IP address. You agree to immediately notify CenturyLink if you suspect any breach of security such as loss, theft, public use (unrestricted, open, communal or shared use by third parties unrelated and/or not affiliated with the Customer either for profit or not for profit) or unauthorized disclosure or use of your CenturyLink account, password, user ID, or any credit or charge card number provided to CenturyLink by calling the customer service number listed on your invoice. You also agree to periodically change your passwords. You authorize CenturyLink to provide information about and to make changes to your CenturyLink account, including adding new Services, upon the direction of any person able to provide information we deem sufficient to identify you. There is a risk that other users may attempt to access your Services, such as through the Internet. You acknowledge this risk as inherent to the shared nature of the Services and you agree to take full responsibility for taking adequate security precautions and safeguarding your data.

4. **Applicable Law.** This Agreement, including all matters relating to its validity, construction, performance and enforcement, will be governed by applicable federal law, applicable rules and regulations of the Federal Communications Commission, and the laws and regulations of the state and local area where Services are provided. This Agreement is subject to amendment, modification or termination if required by such regulations or laws. If any provision in this Agreement is declared to be illegal or in conflict with any law or regulation, that provision will be deleted or modified, as applicable, without affecting the validity of the other provisions.
5. **Other.** The terms and conditions of this Agreement, including all referenced documents and items incorporated here as posted to one of our websites, supersede all previous representations, understandings or agreements, and will supersede the terms and conditions of any order previously submitted, or prior price quoted. This Agreement contains the entire agreement between CenturyLink and you, and the written or oral statements of any salesperson, installer, customer service representative, authorized retailer, or other individual does not change the terms of this Agreement. If any term of this Agreement is held invalid, illegal or unenforceable, such term will be construed as nearly as possible to reflect the original intent of the parties and the remaining terms will remain in effect. The terms of this Agreement, which either are expressly stated to survive or by their nature would logically be expected to survive termination, will continue thereafter until fully performed. If either you or CenturyLink fails to enforce or waives any requirement under this Agreement, that does not waive that party's right to later enforce that requirement in the future.

Installation and Service Maintenance Policies

What you can expect during installation

You received your appointment date and time when you ordered Prism. You can chat with Customer Service up to 24 hours before your appointment time to reschedule.

A technician will come to your home to check the wiring outside your home -- 24 to 48 hours before your appointment. Now, you don't need to be home for this, but the technician will need access to the outside of your home for a short amount of time. You may have no phone service while this pre-work is being done.

We'll leave a door-hanger on your door letting you know we've been there. The door-hanger also includes your appointment time and a checklist of things you need to do before your appointment -- like making sure the technician can access existing cable wall outlets and your attic.

The installation appointment usually takes between 4 and 6 hours. Please review the checklist for the full list of things you need to do to ensure a smooth installation and no delays.

Day of your installation

On the day of your installation, a Prism technician will arrive and go over the installation process with you before starting any work. Then, you and the technician will walk through your home to go over all the locations where equipment needs to be installed. This includes all the televisions and computers that you've selected.

Next, the technician will evaluate the wiring inside your home to determine if existing wiring can be used or if additional wiring needs to be done.

Once the technician has a complete understanding of all the work that needs to be done, he will review the order with you and confirm the exact placement of the equipment.

After these initial surveys and reviews are done, the technician will begin installation.

First, he will install the wireless router or gateway and activate your Internet service. Then, he will install the set-top boxes and DVR for your Prism TV service.

Different ways to pay your bill

You can pay your bill online, by phone, by mail or in person. You can even set up your bill to be paid automatically each month. The method you choose mostly depends on how much of a hurry you're in and how you like to manage your life.

Need a very fast way to pay

If you're in a hurry and need to pay your bill NOW, use Quick Bill Pay, My Account or pay by phone.

Note: Paying in person can also be a fast way to get your bill paid, so long as you have time to drive somewhere during regular business hours.

Tired of monthly due dates

If you're tired of scrambling to get your bill paid by the due date, consider setting up an automatic payment. It's *a lot easier* than other payment methods. You just need to set up an account, and then your bill is paid each month without you having to think about it. You can still get a paper bill, and you can make changes to your account at any time.

It's good to know

There is a small convenience fee to use a credit or debit card when paying your bill via the one-time MyAccount or Quick Bill Pay services. There are two ways to avoid this fee and still enjoy the ease of paying online:

- Enroll in AutoPay and pay via credit card, debit card, savings account, or checking account. Every month, your bill will be paid automatically from your designated payment source.
- Use the MyAccount or Quick Bill Pay service to make a one-time payment, and choose to pay by checking account.

Rather not re-enter data

If you'd prefer not to re-enter your personal information each time you pay a bill, set up an account.

- My account our online account management tool. To set up an account, you create a username, password and answer a couple of questions. From there, you can pay your bill, save your personal information, view past statements and make changes to your account.
- AutoPay is our automatic payment tool. You create an account and choose how you want to pay your bill (e.g., checking, credit card, etc.). Your account is automatically debited each month, saving you the trouble of manually re-entering your data.

Note: If you're paying by phone, you aren't required to set up an account, but if you want to, you can set up a "wallet." With a wallet, you can save your billing information so you don't have to re-enter every time you pay a bill using the phone.

Hate creating online accounts

If your stomach turns at the thought of creating yet another account, we understand. Use Quick Bill Pay to pay your bill online *without setting up an account*.

Looking for low-tech options

Everyone says the computer is the be all and end all, but sometimes simpler is just as good. Paying by phone is a quick, same-day method. If you have time to drive somewhere, you can pay at one of our CenturyLink stores. Or, you can use the US Postal Service and drop your payment in the mail.

Missing payment information

If you're ready to pay your bill but just realized you're missing a key bit of information, maybe we can help. Do you need a mailing address, phone number or payment location?

Want to pay cash

If you want to pay with cash, visit one of our CenturyLink stores. (Note: Not all our locations accept payments. To check if the one you want does, when you see the map, click the pin for the location. A pop-up box will appear with store information, including whether the location accepts payments.)

How to change your AutoPay payment information

If you need to update or change your automatic payment information, sign in to My Account to make the necessary adjustments. (If you've forgotten your My Account username or password, you can retrieve them.)

UPDATING payment info

It's common for people to need to update their payment information every now and then. For instance, you might need to update your:

- Credit card number
- Expiration date
- Checking account number

Making these kinds of changes shouldn't impact your automatic billing. Of course, keep an eye on your bill, and if anything looks unusual, contact us.

IMPORTANT: If your credit card expired recently, your automatic payment may have been rejected. To confirm it went through, log in to My Account, and look at your bill. If you see an outstanding balance, you can make a one-time payment to take care of it. So long as you've updated your account information in My Account, next month's automatic payment should go through normally.

CHANGING payment info

If you need to completely change your payment information -- like you want to stop using your checking account and start using a credit card -- it's easy enough to do, but you'll need to pay attention to your bill until the change is finalized.

You'll want to do the following:

1. Monitor your bill.
2. Watch for status messages.
3. Make a one-time payment, if necessary.

Follow this procedure for a couple billing cycles. The status messages are key because they'll tell you if your payment is scheduled to be automatically paid. If not, you need to make a one-time payment. (You can do this online, by phone, by mail or in person.)

What to expect with your closing bill

If you've recently cancelled your service, you will soon receive a closing bill. Closing bills -- sometimes called "closing statements" or "final bills" -- capture any outstanding charges that still need to be paid, and you might get several of these bills before your account is truly closed.

What to expect next

You'll receive a bill immediately after cancelling your service. How many additional bills you receive depends on whether there are outstanding charges that still need to be paid.

1. **Closing bill** -- This bill captures everything we know you owe when you tell us to disconnect your service. It's based on the date you disconnected and is sent to you immediately.
2. **Revised closing bill** -- This bill includes any lingering charges we didn't know about when you told us to cancel your service. For instance, if you have combined billing, it might include charges from DIRECTV or Verizon. If you were leasing equipment from us -- and took a while to return it -- there could be corresponding charges on your bill. It could also include outstanding long distance charges. This bill is issued on your next regular billing date -- regardless of when you disconnected.
For example, if your regular billing date is May 7th and we receive DIRECTV charges on May 10th, we will include those charges on the following month's bill. In this case, you'd see those charges on your June 7th bill.
3. **Second revised closing bill** -- If you turn in your leased equipment and all outstanding charges are settled, then you're not likely to see this one, but sometimes things get delayed, and if they do, you may see another bill.

Note: Even if you're signed up for paperless billing, you'll still likely get a paper copy of your closing bill(s) in the mail. If you need to change the mailing address you have on file with us, log in to My Account or chat online.

How to speed things up

Due to the timing of charges and the need for things to process through multiple systems, it can take 1 to 2 billing cycles for your account to be fully closed. To speed up the process, pay any outstanding charges as soon as you are billed and return all your leased equipment (e.g., modems, routers) as soon as possible. If we receive your equipment quickly, it lessens the chance that additional bills will be generated. (Plus, you don't have to worry about incurring new charges for unreturned equipment.)

Note: If you subscribed to satellite television, cell phone service or long distance service through us, it may take longer for your account to close simply because we have to wait for those companies to bill us before we can bill you. We apologize for any inconvenience.

How to remove AutoPay from your account

If you decide AutoPay's not your cup of tea and you want to go back to paying your bill manually, you can do that.

Removing AutoPay

To remove AutoPay from your account, simply sign in to My Account, and follow the prompts. The process should only take a few minutes. (If you've forgotten your My Account username or password, you can retrieve/reset them.)

What to expect next

The thing to keep in mind if you're removing AutoPay from your account is... timing. Just like it took a couple billing cycles to active AutoPay, it can take 1 to 2 cycles to return to regular, non-automated billing. This is because your request has to process through our systems, and depending where you're at in your billing cycle, a bill might have already been created, which means it's possible that any balance due at that time might have been automatically withdrawn.

You'll know everything is resolved when you receive a bill with a message saying your balance will no longer be paid using AutoPay.

Pay in person

Sometimes it just feels better to visit a brick and mortar building. Or, maybe you need to pay cash. Either way, paying in person is a simple, straightforward way to take care of your bill. You can talk face-to-face with a live person, and payments are credited to your account immediately.

Paying in person also gives you the most payment options. You can pay with cash, check or money order. Some locations even accept savings account, credit card, debit card or ATM card payments.

Tip: Bring along your CenturyLink bill. Since it has your account information, it will speed up the payment process for you.

Find a location

Use the online CenturyLink Store Locator to find a payment location near you.

Pay your bill online

If you want to pay your bill online, you have two options. One lets you pay without signing in. The other requires you take a couple minutes to set up an account, but then you don't have to re-enter data every time you make a payment. Which one you choose largely depends how often you plan to pay your bills online -- rarely or regularly.

Valuable information: There is a small convenience fee to use a credit or debit card when paying your bill via the one-time MyAccount or Quick Bill Pay services. There are two ways to avoid this fee and still enjoy the ease of paying online:

1. Enroll in AutoPay and pay via credit card, debit card, savings account, or checking account. Every month, your bill will be paid automatically from your designated payment source.
2. Use the MyAccount or Quick Bill Pay service to make a one-time payment, and choose to pay by checking account.

Option 1: If you pay online, rarely

Use Quick Bill Pay if you're in a hurry, have no interest in creating an account and/or you only need to pay your bill online every now and then.

Quick Bill Pay is a fast solution for paying your CenturyLink bill online using your checking account, savings account, debit or major credit card and, in some areas, your ATM card or money market account. And it's free, no need to buy stamps, and available online.

What to expect

You'll need your account number and additional information about the account to validate that it's you. You don't even need to log in to My Account. You control the payment amount and provide the payment source. That's it! Your payment is considered accepted pending settlement, and your account is in good standing, the same day.

If you're not using AutoPay and you don't have a My Account username and password, Quick Bill Pay is the fastest way to pay your CenturyLink bill.

Option 2: If you pay online, regularly

Use My Account if you anticipate wanting to pay your bill online more than once. It lets you save your payment information so you don't have to re-enter it every time you pay a bill. While you're signed in, you can also look at old bills, make changes to your services and update your account.

Once you've signed up for My Account, you can pay your bills online with ease. Simply provide your payment information once. You can use your:

- checking account,
- savings account,
- debit card, or
- credit card (VISA, MasterCard and Discover accepted), and
- in some areas, your ATM card or
- money market account

...and identify the payment amount. You can store your payment info, so future payments are even faster. Paying your bills through My Account saves you time and money (no stamps!). If you're not registered for My Account, sign up now. It's free!

How to find your account balance

There are a few ways to quickly find your current balance and/or billing date.

Find it on your paper bill

You can find your current balance and due date at the top of the first page of your paper bill. Total Current Charges (or New Charges) -- what you owe this month
Amount Due (or Total Amount Due) -- what you owe, including any previous balances
Amount Due By (or Payment Due By) -- the due date for this month's current charges

IMPORTANT: The due date on the current bill doesn't apply to the past due amount. If you have a past due amount and haven't already paid it, then you should, as soon as possible. Don't wait until the due date of the current bill to pay the past due amount. Why? Charges that remain unpaid can result in late fees and/or suspension of service, and late fees may be charged each month for any eligible unpaid balances not paid in full by your next bill date.

If you sent a payment but we didn't receive it by the due date, you will see the previous balance on your current bill. In this case, you only need to pay the

new charges.

Visit My Account

If finding a paper copy of your bill is more trouble than you want, log into My Account. My Account is your online account management tool. With it, you can look up your current balance, find out when your bill is due, pay your bill online and make changes to your account.

When you log into My Account, you see how much you owe and when your payment is due.

In case you're wondering...

Billed Amount -- what you owe this month

Current Amount Due -- what you owe, including any previous balances

Payment Due By -- the due date for this month's current charges

The Billed Amount is exactly how much you owe for the current billing cycle. The Current Amount Due is kind of a running total of debits and credits to your account through today's date. It may be higher (or lower) than the Billed Amount.

If your payment is late

If you're running behind, there are ways to get your payment to us quickly -- maybe still by your due date. If that's not possible and you miss your due date, unfortunately, late fees are a likelihood. What happens next largely depends on how late you get your payment to us.

Note: You can find your due date (and account balance) on the first page of your paper bill and/or by logging in to My Account. Payments need to be to us by close of business on the day they're due.

How to pay your bill quickly

If you're in a rush, there are ways to pay your bill quickly. For instance, using Quick Bill Pay, My Account or pay by phone gets your payment to us immediately. If you have time to drive somewhere, paying in person is also fast.

Why your payment may be late

We don't process payments on holidays, weekends or after business hours. Payments that come in during these times won't get entered into our system until the next business day.

What you can expect for fees

We charge late fees for payments that aren't received by the due date. Fees vary based on the type of service and can be a flat fee, interest based on a percentage of the amount due, or some combination of both.

How we'll try to contact you

At a minimum, if your bill is past due, we'll mail you a notice, and if your bill continues to go unpaid, we'll try to reach you by phone.

If you have CenturyLink Internet service, you may also receive a "past due" message on your computer screen when you log in to your account. If you

have Verizon Wireless service, and pay for it as part of your CenturyLink bill, you may get a “past due” text message.

What to do if you can't pay

We realize there are a lot of reasons people have trouble paying their bills. Rather than not pay your bill at all and risk having your services turned off, contact us as soon as possible and ask about making payment arrangements. We'll work with you and try to figure out something that fits your unique situation.

When we'll disconnect services

Each state has a Public Utility Commission (PUC) that regulates these kinds of things. As a result, the laws governing when we disconnect services varies from state to state.

Generally, accounts that go unpaid are first suspended and then disconnected. Once the bill has been paid in full, suspended accounts can usually be turned back on within 24 hours. Because they require we send someone out to physically turn the service back on, disconnected accounts cost more and take longer to re-activate. Plus, a deposit may be required to get service re-installed.

Enroll a user name or password in My Account, or add an account

Before you can sign in and use *My Account* to manage your account, you need a user name and a password. If a user name and password hasn't been created for you, then you'll need to enroll. And, sometimes account activities will change your account number, and this new account number needs to be added to your My Account before you can use it to pay or view your bill.

It's fast and easy to do both, if you have the right items handy before you start. The first is your account number, which you can find on your paper bill. The second varies: you'll either need the zip code of your billing address or a security code.

- To register, click the “**Enroll Now**” button on the My Account sign in page.
- To add a new account, go ahead and sign in to My Account.

Asked for your security code or security answer but don't know it?

Your online account contains enough personal information that CenturyLink and the Federal Communications Commission (FCC) agree it should be secured from unauthorized access. Sometimes it might feel like it's too secure, but please understand that we aren't intentionally trying to be difficult. Rather, we take every customer's privacy very seriously.

While some accounts have a security code, others may have a security question and answer. Until you've created a security question and answer, your account is given a random system generated security code.

You can find the security code on your Welcome Letter, or if you haven't already registered for My Account, then it's printed on the first page of your paper bill in the green informational box towards the top of the page. Or, you'll be given the option to request your security code or security answer when you're registering, or adding an account. You'll be able to choose either an

automated voice message, which will call the primary telephone number on the account right away with the information, or have a paper letter sent to the billing address.

Any grace period for payments?

Sorry, we do not offer a grace period. Your payment needs to be in to us by close of business on the day its due.

What you need to pay

The total amount due includes new charges for the month and, if applicable, any unpaid previous balance. You may see a previous balance due if your payment was not received by the due date. If you paid this balance after your new bill was created, you only need to pay the new charges.

Note: You can find your due date (and account balance) on the first page of your paper bill and/or by logging in to My Account.

How you can pay quickly

If you're concerned about getting your payment to us on time, paying online, by phone or in person are all quick.

If you're running behind

If your payment is late, you'll either be charged a flat fee, interest based on a percentage of the amount due or possibly both -- depending what services you have with us.

Note: If you're concerned you won't be able to pay your bill, please contact us, and we can help with payment arrangements.
