

Appendix B

QUALITY ASSURANCE PLAN

1.0 INTRODUCTION

Level 3's Quality Assurance Plan (QAP) defines and describes our methods and controls that address all services offered on the WITS contract. The QAP includes:

- Acceptable quality levels
- Delivery schedules
- Adherence to schedules and work functions as detailed in plans provided to and approved by the Government subsequent to contract award
- Adherence to appropriate safety codes and procedures
- Adherence to industry recognized levels of quality workmanship and craft practices

This draft QAP updated within 60 calendar days after receiving the Government's comments, and annually there after.
