

Minnesota Telephone Assistance Program Application Form

1. About the Minnesota Telephone Assistance Program (MTAP)

The MTAP discount is a state benefit that lowers the monthly cost of phone service.

Rules

If you qualify, your household can get the Minnesota Telephone Assistance Program (MTAP) for your phone. Your household cannot get MTAP from more than one phone company.

You are only allowed to get one MTAP benefit per household, **not per person**. If more than one person in your household gets MTAP, you are breaking the rules and will lose your benefit.

What is a household?

A household is a group of people who live together and share income and expenses (even if they are not related to each other).

Do not give your benefit to another person

The MTAP is non-transferable. You cannot give your MTAP benefit to another person, even if they qualify.

You must give accurate and true information on this form and on all MTAP related forms or questionnaires. If you give false or fraudulent information, you will lose your MTAP benefit (i.e., de-enrollment or being barred from the program).
