Network Disclosure Announcement No. 894

Short Term Public Notice Under Rule 51.333(a)
CenturyLink's Internet address: <http://www.centurylink.com/disclosures/>

Cancelled - 911 Switch Decommissions in Montana

Implementation of this notice is cancelled effective June 16, 2025. New information will be provided at a future date.

First Implementation Date: July 9, 2025
Original Date Posted: December 5, 2024

Summary: CenturyLink announces the planned decommissioning of the Montana ECS 1000 Selective Routers. All 911 Services will be moved to new diverse 911 equipment via connections to the LATA 648 POI's (MSSLMTMA and HLNAMTMA) and LATA 650 POI's (BLNGMTWE and BZMNMTMA). New diverse 9-1-1 TDM/ISUP trunk groups shall be installed and OSP traffic shall migrate to each of the 2 new POI's indicated prior to the final switch migration date of July 9, 2025. The ECS1000 equipment will be powered down on August 15, 2025. These dates are final. No extensions shall be granted.
