Copper Retirements in Arizona, Colorado and Oregon

First Implementation Date: *January 31, 2012*

Original Date Posted:

November 28, 2011

Summary:

Copper Retirements are necessary to respond to various factors in the Outside Plant, including road construction, maintenance problems, and growth accommodation. Replacement cables may be either copper or fiber. Specific information will be provided with each disclosure.

**Locations, Timing of
Deployments & Interface
Requirements:**

The following gives additional details on the copper retirement(s):

STATE	WIRE CENTER	PLANNED COMPLETION OR RETIREMENT DATE	DA (s)	Job #	FDI Address(es)	Replacing
AZ	Tucson Cortaro TCSNAZCO	2-24-2011	210516	1213U1V	8314 N Moondance Wy.	Road construction forces CenturyLink to abandon its copper cables and transfer working services to a fiber fed digital loop carrier system (DLC). All existing services will continue to be supported; however, after the cut to DLC, new copper reliant services, such as non-loaded copper loops will not be supported. All other types of unbundled loops will still be available.

STATE	WIRE CENTER	PLANNED COMPLETION OR RETIREMENT DATE	DA (s)	Job #	FDI Address(es)	Replacing
AZ	Tucson Southwest TCSNAZSW	02-28-2012	111111	0213ET1	3100 S Kinney Rd.	Road construction forces CenturyLink to abandon its copper cables and transfer working services to a fiber fed digital loop carrier system (DLC). All existing services will continue to be supported; however, after the cut to DLC, new copper reliant services, such as non-loaded copper loops will not be supported. All other types of unbundled loops will still be available.
CO	Colorado Springs CLSPCOMA	01-31-2012	215433	1223TCV	3203 N Hancock Av.	Road construction forces CenturyLink to abandon its copper cables and transfer working services to a fiber fed digital loop carrier system (DLC). All existing services will continue to be supported; however, after the cut to DLC, new copper reliant services, such as non-loaded copper loops will not be supported. All other types of unbundled loops will still be available.
OR	Eugene 10 th Av. EUGNOR53	02-05-2012	312411	12R2734	32655 Dillard Rd.
