

# CenturyLink™ High-Speed Internet

So much more than Internet access, CenturyLink High-Speed Internet offers the powerful features you need to grow your business at light speed.

## CenturyLink High-Speed Internet:

- Web access, local tech support and your choice of connection speeds from 1.5 Mbps to 40 Mbps with CenturyLink High-Speed Internet with Office Plus
- Delivers the perfect high-speed Internet advantage for small business

## You get:

- A 99.9% reliable Internet connection up to 40 Mbps
- 2 Microsoft Exchange e-mail addresses
- 5 GB of web storage
- Up to a 10-page website with design template
- Domain name and domain registration
- Wireless networking
- Security and tech support

All in an affordable package designed to keep you connected whether you're in the office or on the road.

## Free QuickCare™ self-help tool

QuickCare is a free program installed on your desktop during installation that identifies and automatically fixes many typical Internet problems.

- Safeguards your application settings so they can be restored quickly and easily
- Troubleshoots problems so you can avoid lengthy technical support calls
- Repairs your high-speed Internet connection and notifies you of any service interruptions

If you ordered High-Speed Internet service before September 2005, QuickCare was not installed.
